COMPETITION PUP III – for pups or young dogs that have completed Comp. Pup II with me or comparable training. Beginning sequences, rear crosses, continue contact performance, start lines and lateral distance. We will also continue to work on stimulus control and proofing. Mondays 6 to 7 PM (to begin when the current class completes – hopefully, August 16); 4 week series; \$100 per dog.

AGILITY MANNERS Tuesdays 9 to 10 AM or Thursdays 4 to 5 PM
Here's the class you know you should take. Walking on a loose leash, waiting your turn in line, but MORE! Does your dog steal stuff out of your agility bag? Does your dog yank the training toy out of your hand? Let's take the bull by the horns! Train, don't complain. This class is appropriate for all dogs – even if not actively training/competing in agility. 4 week series \$100 per dog

INTRO TO AGIILITY A morning workshop to introduce you and your dog to the fun sport of agility. Come join us on Saturday, August 21 from 9 AM to noon. Dogs must be at least 6 months of age and in good health. \$100 for the workshop.

ADVANCED AGILITY WORKSHOP Handling, teamwork, skill-building... all the fun stuff. Dogs already training at an advanced level. 1 to 4 PM; \$100 per dog
